SEBASTIAN MANISCALCO

SEBASTIAN'S facial expressions and complete disgust with human behavior have given him the reputation as one of the most sought after comedians working today. His show-stopping performance at the "Just For Laughs" Montreal Comedy Festival and his upcoming appearance in Showtime's Comedy Slam airing this September has audiences across the country screaming for more of his unique brand of humor.

Sebastian's comedy is impeccably paced and chock-full of seething observations on daily human behavior. Most recently, he has starred in the film "Vince Vaughn's Wild West Comedy Show" and his "Comedy Central Presents" special is the highest rated comedy special on ONDEMAND. Sebastian's humor also created memorable spots on "The Tonight Show with Jay Leno", Comedy Central's "Premium Blend," twice on the "The Late Late Show with Craig Ferguson", and "Comics Unleashed" with Byron Allen. His comedy is so diverse, it has enabled him to work with such prestigious acts as BB King, Al Green, Anita Baker, Gladys Knight, and Dennis Miller.

In addition to his TV and film appearances, Sebastian's brand of comedy has worldwide appeal as he embarks on a Middle Eastern tour with the creators of the "Axis of Evil" this fall. He has also inked a distribution deal with Salient Media for his hour long DVD which will be airing on Comedy Central this February.

Although a native born Chicagoan, Sebastian currently resides in Los Angeles where he can be found working out new material at the Comedy Store and the Laugh Factory on Sunset Blvd. Visit his website at www.sebastianlive.com and www.myspace.com/sebastianlive for tour dates and TV appearances.
